BEST PRACTICE

Logansport High School implemented Scholartrack Student/Parent nights. After obtaining grant funding from CHE to cover the cost of the pizza, they set up two evenings (one in the fall and one in the spring) and invited parents and students to come in and get signed up and caught up in Scholartrack. The school has 1:1 technology and students brought their

laptops to the meeting. LHS invited Ivy Tech and CHE representatives to come in and assist students and answer questions.
